We cater for private functions and parties

It was great to hear from our customers about the updated logo design and menu layout. A big THANKS for all the positive feedback.

Now here's a bit about us that you might not know!

Home Delivery: We can **100% guarantee** that your order is at your front door within minutes of leaving our ovens. We flatly refuse to send out drivers with any more than two deliveries at a time. So if we are a little late, we can promise it is not because we have a driver cruising around making 5-6 deliveries at a time. All our pizzas are made to order and delivered as fresh as can possibly be!

Garlic Bread: Yes, it's made fresh in-house and is a wonderfully guilty pleasure to have as a starter with your pizza.

Pizza Sizes: To ensure that we cater for everyone and every occasion, we will continue to offer all four sizes: Small, Medium, Large & Family. It's your choice!

NY Trip: Our pizza research – it's a tough job! - took us to the USA to check out some world-class pizzeria's and truly did inspire our New Yorker pizza. It's now one of our best sellers.

Supporting Australian Companies: We continue to support first-class Australian brands such as Dairy Farmers, KR Castlemaine, Weston Milling, Ingham Chicken, Sandhurst, Primo, Serendipity and La Crème Gelato Cups.

The Jilted Anchovy is enjoying its 10th year in Clovelly and we will continue to provide our area with the freshest market produce, quality ingredients and thin base pizzas cooked to perfection.

We always welcome your feedback: feedback@jiltedanchovy.com
